CORPORATE GIVING

PARTNERING TO ADVANCE HEALTH

SUPPORTING SPARTANBURG REGIONAL FOUNDATION

Our Mission

To generate philanthropic support to advance health.

Our Vision

Be the most trusted partner in healthcare philanthropy.

In 2024, SRF provided \$5 million in assistance for patients, healthcare innovations and expansion of access to care.

SRF has over 100 funds for all areas of healthcare to support.

Dear Corporate Donor,

On behalf of the Spartanburg Regional Foundation, we look forward to working together to advance healthcare in the Upstate of South Carolina. As we look to the future of healthcare and the importance of continued investment in nonprofit healthcare systems, it is vital to our community to continue investing in our local healthcare system committed to caring and charitable giving.

Through a consolidated request for financial support, the Foundation aims to develop impactful giving customized to each company's philanthropic interests and marketing needs such as naming opportunities, event sponsorships, executive level networking functions and other opportunities for visibility and partnership.

Partnering with the Spartanburg Regional Foundation allows your company to strengthen your commitment to caring and brand recognition among our patient and medical communities. Your investment contributes to a more vibrant and resilient community, which benefits all residents, including your employees.

Sincerely,
Polly Edwards-Padgett
Executive Director

Why Spartanburg Regional Foundation

Spartanburg Regional Healthcare Foundation (SRF) is the philanthropic arm of Spartanburg Regional Healthcare System (SRHS), an integrated healthcare delivery system that provides comprehensive, compassionate care. The Foundation serves to generate philanthropic support aligned with the priorities of SRHS.

Spartanburg Regional Health Services District, Inc. is a self-funded, political subdivision of the state of South Carolina and does not receive tax dollars from the community. As a not-for-profit healthcare system, ensuring charitable giving and a positive financial experience are core to our mission and vision to be the most trusted partner in healthcare.

WAYS TO SUPPORT

COLLABORATION

If your corporation has specific philanthropic interests, we will collaborate with you to identify and focus on opportunities that align best with your organization. We offer a variety of investment opportunities throughout the system. Collaboration is focused on healthcare innovations and capital projects. Naming opportunities and ongoing recognition are available in various areas of the healthcare system. Collaboration partners are available upon request in one-on-one meetings with healthcare leadership.

SPONSORSHIPS

Supporting fundraising events is a great way to give back, have fun and promote your business. We offer event sponsorships and giving opportunities throughout the year that fit all budgets. Sponsorships are focused on special projects related to events and start at \$2,500.

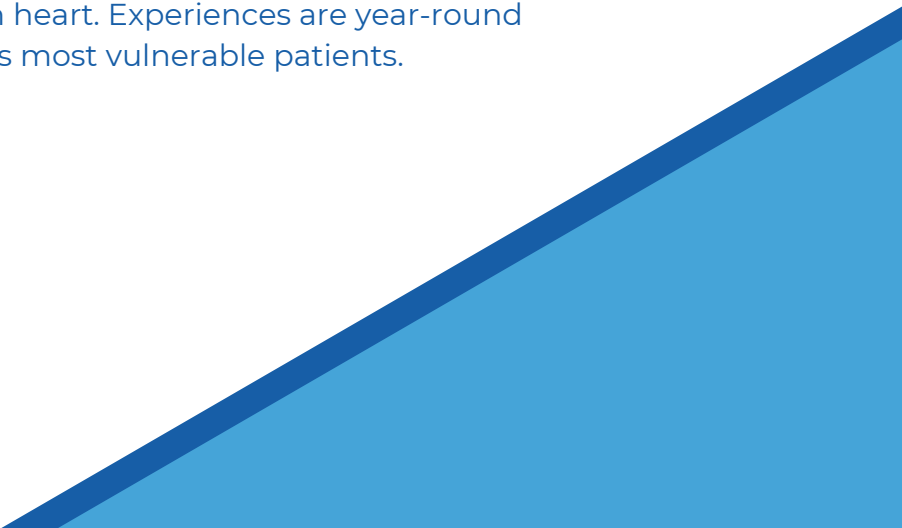

HOSTING

What is a third-party fundraising event?

A third-party fundraising event is conducted by an individual, group or organization in the community with proceeds to benefit Spartanburg Regional Foundation. No fundraising experience is needed, just your passion. Event ideas include run/walks, cook-offs, auctions, bingo night, dinner parties and more.

PATIENT EXPERIENCES

Give our patients and families an unparalleled care experience — the best facilities and the most comprehensive support programs to anticipate their every need. Your company can take part in our mission to deliver outstanding care, inspire health and connect with heart. Experiences are year-round opportunities to support the system's most vulnerable patients.

- Sponsorship opportunities range from \$1,250-\$15,000

ABOUT THE SPARTANBURG REGIONAL FOUNDATION

In the Spartanburg Community Since 1991

The Spartanburg Regional Foundation serves a vital role in the Upstate of South Carolina by supporting Spartanburg Regional Healthcare System and a wide array of projects and programs that promote community health. For more than 30 years, the Foundation has raised money through direct gifts, grants, sponsorships and events to support health and wellness.

Spartanburg Regional employees are among the many generous community members who make philanthropic contributions. The Foundation is a nonprofit 501(c)(3) organization and has given back more than \$100 million since 1991.
